

START A GREAT CAREER IN A GREAT BUSINESS

Business Administration - Professional Golf Management Program

Gain a business education.

Gain your business education from one of the top business schools in Canada – Humber College, The Business School. Receive advanced standing into Humber's Bachelor of Commerce degree programs and into Guelph-Humber's Bachelor of Administration degree program.

Six-month paid co-op with 100% job placement.

We are the only Golf/Business program that operates each year on a 6-month paid work placement and a 6-month in-class academic term. Tailored to the golf season, our 6-month paid work placement runs from April to October each year, allowing you to gain a greater amount of work experience and income as compared to other programs.

Improve your golf game.

Receive free golf lessons throughout the year from our professional staff of PGA of Canada golf professionals who will help you develop and reach your golf game goals. You will also receive access to our on-campus Golf Lab facility, equipped with the latest golf training equipment and software as well as playing privileges at three local golf facilities.

Competitive golf.

If competitive golf is your passion, our program hosts many competitive golf events including student golf tournaments, match plays, and weekly competitions. You will also have the opportunity to be part of the most decorated Varsity golf team in Canada – the Humber Hawks.
